Our Lady of Combermere

We welcome visitors throughout the year to share in our *ordinary* daily life, and to learn the *extraordinary* truth of God's presence in every moment of that life (minimum stay of one week). We pray, work, relax together, and participate in the following:

**Fall (October through early January)**

Ten classes on Fundamentals of the Spiritual Life, with study and reflection time after each talk.

Liturgy classes introduce the seasons of the Church year, and our customs in celebrating them. Live the liturgical year in everyday life, beginning with Advent. Then enter Christmas to receive the Greatest Gift – the Child born to be King. Celebrate the full season into Epiphany, with rich traditions to feed both spirit and body.

During Advent, use your free time to learn a new craft in our handicraft department.

**Winter (January through Easter Sunday)**

Weekly classes on the Catechism of the Catholic Church, with study and reflection time after each class.

We continue the liturgical journey, entering Lent through a rich daily prayer life and spiritual readings for the season. Then walk through Holy Week with the Lord Jesus, so as to enter his Risen Life and proclaim: Christ is Risen! Truly He is Risen!

During Lent, try your hand at the art of pysanky – a type of Russian/Ukrainian/Polish egg decorating – to “push back the darkness” in this world with the light and joy of the Resurrection.

**Spiritual Formation Program**

We also offer a program for young men considering a vocation to the priesthood. This runs from October through April.
